I-10 Long Term Ramp Closures Scheduled

Baldwin Park – The California Department of Transportation (Caltrans) will close the westbound San Bernardino Freeway (I-10) Baldwin Park Boulevard South on-ramp beginning Monday, December 12, 2011 as part of the High Occupancy Vehicle lane construction project. The westbound Frazier Street and eastbound Francisquito Avenue off-ramps have also been closed as part of the HOV project. Motorists attempting to access local businesses will experience delays and are encouraged to use alternate routes. Detour signs will be posted. These ramp closures are expected to continue until spring, 2012.
